AWARDS AND HONORS

Jon Sherrod, an area manager for Bondioli & Pavesi in Ashland, has been elected to the Board of Directors of the Farm Equipment Manufacturers Association. Executives from throughout North America unanimously elected Sherrod to a three-year term on the Association board, which serves as an advocate and resource for the farm implement industry. Bondioli & Pavesi manufactures power transmission components for farm equipment. Sherrod, of Ruther Glen, joined the company in 2009. He serves customers in the southeastern U.S., the west coast, and eastern Canada.

CONSTRUCTION

Mike Lang Mike Lang has recently joined The Crescent Group, a Land Acquisition and Development Company, as President and will also serve as VP of Development for Cornerstone Homes, Richmond's exclusive builder of Active Adult Communities. Mike will oversee land acquisition, entitlement, and development of new home communities for the Crescent Group, developing lots for Cornerstone Homes as well as other 3rd Party builders. Mike has over 25 years experience in the banking and real estate development industries, most recently with BB&T's commercial real estate division involved in financing land development and construction of residential and commercial projects. Mike obtained his Bachelor's degree in Finance and Marketing from the University of Virginia's McIntire School of Business.

FINANCIAL SERVICES

David Zimmerman Atlantic Union Bank welcomes David Zimmerman to Middleburg Financial as

President. He'll be responsible for leading the bank's wealth management division, including investment services, retirement planning, insurance, asset management, private banking and trust services for individuals and institutions.

HEALTH CARE

Children's Hospital of Richmond at VCU welcomes Dr. Joseph Laver, Professor and Chief of the Division of Hematology and Oncology.

Joseph Laver, MD, MHA Children's Hospital of Richmond at VCU welcomes Dr. Joseph Laver as Professor and Chief of the Division of Hematology and Oncology and the Children's Hospital Foundation Endowed Chair in Pediatric Cancer Research. Dr. Laver previously served as chairman of CHoR's Department of Pediatrics and held the Jesse Ball DuPont Distinguished Professorship in Pediatrics for eight years. He brings expertise in bone marrow transplantation to CHoR, the only pediatric bone marrow transplant center in the region, where patients have access to cutting-edge treatments including CAR T-cell therapies in partnership with VCU Massey Cancer Center. Dr. Laver has an extensive background leading pediatric programs around the world, most recently serving as Professor and Director of the Pediatric Hematology/Oncology Center at Hadassah University Hospital in Jerusalem.

Prior to this he was Chief Medical Officer and Professor of Pediatrics at Stony Brook University Hospital for three years, and the Executive Vice President, Clinical Director and Chief of St. Jude's clinical operations for five years. He has also held leadership positions at the Medical University of South Carolina, Memorial Sloan-Kettering Cancer Center and Cornell University Medical College. Dr. Laver's specialties include pediatric lymphomas, stem cell transplant and cellular therapy, and precision medicine. He has been named to the Best Doctors in America List for 15 years and published more than 100 articles in peer reviewed journals, authored multiple chapters in text books and obtained several peer-reviewed grants. Dr. Laver earned his medical degree from Technion and completed his pediatric residency in Israel. He completed a pediatric hematology/oncology fellowship at Memorial Sloan Kettering Cancer Center, followed by a pediatric research fellowship at Sloan Kettering Institute.
